Website: <http://www.charutarhealth.org/news/national-consultation-adolescent-health>

Introduction

Greetings from the land of 'Loh-Purush Sardar Vallabhbhai Patel, PSMC, Karamsad!

Pramukhswami Medical College, founded by late Dr. H.M. Patel, former finance minister of India and a visionary for developing State of art health care institute is located in Karamsad

It is a matter of great pleasure for us to announce the National Consultation on Adolescent Health to be hosted at Pramukhswami Medical College, Karamsad from 10th March to 12th March 2016. Theme for the consultation is "Adolescent health: "Enlightening Young Minds". Under the aegis of UNICEF, Indian Association for Adolescent Health (IAAH) and in collaboration with Action Research in Community Health (ARCH)

A real concern for the adolescent health in Gujarat and efforts being made by all stakeholders working in this field inspire us for this National Consultation on Adolescent Health. We look forward for the support.

Workshop (10th March, 2016)

Workshop will be conducted using eight stations designed as stalls by the staff of ARCH and Department of Community Medicine. The stalls will feature highly interactive and easily replicable/adaptable training technique to undertake adolescent health education in various settings.

Theme for the workshop is "Adolescent Health: Health model based practical education"

National Consultation (11th -12th March 2016):

The consultation will focus on emerging issues of adolescents, activities done for adolescent health at various levels including activities of academy of Paediatrics, Gujarat, IAAH, ARCH and training of the participants in issues related to adolescent health through workshop. There would be scientific discussions and presentations based on the theme issues to disseminate information related with Adolescent Health
