

Invitation

Dear Friends and Colleagues,

On behalf of the Organizing Committee, we welcome you to the 12th National Conference of Indian Association for Adolescent Health-2023 with the theme **“Adolescents & Youths: Pandemic Preparedness for One Health”** to be held at SHKM Govt Medical College, Nalhar, Nuh, Haryana, India.

One Health is an approach that recognizes that the health of people is closely connected to the health of animals and our shared environment. The One Health concept is not new but its importance to address the complex health and environmental challenges has become more prominent in recent years. Recently, the COVID-19 pandemic has once again renewed interest among scientists and policy makers for building an integrated approach such as One Health.

Scientific observations suggest that there are more than 1.7 million viruses circulating in wildlife. Many of them are likely to be zoonotic. This implies that unless there is timely detection, India risks facing many more pandemics in times to come. Potential solutions to these problems can only be understood when human, animal, and environmental health questions are evaluated in an integrated and holistic manner rather than in siloed approaches.

The proposed conference is expected to fill these gaps among health care professionals regarding pandemic preparedness with special emphasis on methods which are needed to develop resilience among adolescents and youths. This two-days Scientific meet will include CME, Plenary Sessions, Orations and Scientific sessions. We are going to have prominent speakers from across the country. The aim is to have ample time for discussions, deliver the best scientific material and provide crystal clear points to ponder. To encourage our young professionals, we will organize preconference workshops touching important domains of public health.

With your support, we are determined to make this conference a grand success. We will not leave any stone unturned to make it a very comprehensive learning event. The team has already fastened their belts for the preparations. We are eager to welcome you to this mega scientific event at IAAHCON- 24th & 25th FEBRUARY 2023. We look forward to your esteemed presence in IAAHCON- 2023, at SHKM Government Medical College, Nalhar, Nuh, Haryana. We ensure that this scientific extravaganza will be enriching and enlightening.

Dr. Pawan Kumar Goel
Organizing Secretary IAAHCON-2023
